Our Give Me 5 Focus this week: Be Respectful in the Learning Areas

Dear God,

Please help me to be respectful of others even though sometimes I disagree with them.

Help me to live my life in a way that I may be a good example of Jesus Christ.

May I continue to respect my friends and all aspects of my learning.

In Jesus' name I pray,

Amen.

PRINCIPAL'S MESSAGE

Dear Families,

We have had another week with a variety of learning opportunities for our children and families to participate in.

Our first gathering with the **Parish Legion of Mary** took place on Wednesday which saw a number of children join this group to **pray the Rosary together**. This occurs twice a term and is another way to strengthen our link with the parish and live out our faith. Children are welcome and encouraged to attend these gatherings and I would like to thank Mrs O'Brien and Mrs J for accompanying the children.

On Thursday we had our first **Walk/ Ride to School Day**. It has been wonderful to see a growing number of children (and families) walking or riding to school on a regular basis. These days highlight the importance of being active and some exercise before a day of learning can have a positive impact.

Yesterday (Thursday) we also had our first **3 Way Conversations** for the year which provides an opportunity to get the 3 main stakeholders in your child's learning (child, family and school) together at the start of the year. **If you have not been involved in a PSG meeting or were not involved in a 3 Way Conversation please contact your child's classroom teacher to arrange a time to meet.** It is a vital aspect of learning to have a strong connection between school and home.

The first of our 5 **AUSKICK sessions** occurred yesterday afternoon with over 40 children participating. If your child would still like to join please see the information contained in this newsletter. This is a chance to develop some AFL and social skills and try a team sport.

As I mentioned last week, we are noticing that we have children **arriving after 8.55am**. This can impact on a child's learning as they have not had time to organise themselves, socialise, be settled and the first session for the day has started. While no one intends to be late and sometimes there are factors out of our control, **I would ask that we focus on getting to school on time.**

Our **Annual Whole School Athletics Day** is fast approaching and will take place **next Friday 28 February**. This is always a wonderful day where our children get to display their sporting talents and enjoy being with the whole school. Families are more than welcome to come and be part of the day and if there is anyone who would be able to assist with setting up/ packing up or helping with some of the events please contact myself via email principal@sgdendenongnth.catholic.edu.au (P) 9791 7553 or Seesaw. Please see *Operoo* for details and to grant permission.

Next week we also have our **Year 3 Reconciliation Family Workshop on Tuesday 25 February at 7.00pm in the PAC**. All those children preparing to celebrate this Sacrament of Healing are asked to attend this gathering with their family.

PRINCIPAL'S MESSAGE

We also have the first of our **Open Days next Tuesday 25 February**. This is an opportunity for prospective families to see all that we offer here at St Gerard's. We have **2 other Open Days planned for Wednesday 5 March and Thursday 13 March**. If you know families who will be looking for a school in 2026, we would appreciate you letting them know of these dates.

A reminder that **Mrs Dorothy Stack is on leave until Friday 4 April (end of Term 1)**. During this time some of Dorothy's leadership responsibilities will be undertaken by other staff members. **Mrs Gwen O'Brien will assume the responsibilities for Learning Diversity and Religious Education and Ms Nicole Fernandez will assume the leadership responsibilities for Daily Organisation and Timetabling**. I have full confidence in these 2 leaders to maintain these important aspects of our school.

Please feel free to contact Gwen, Nicole or myself if you have any questions or concerns in any of these areas.

Mrs Gwen O'Brien – gobrien@sgdandenongnth.catholic.edu.au

Ms Nicole Fernandez – nfernandez@sgdandenongnth.catholic.edu.au

Mr Paul Cowan – principal@sgdandenongnth.catholi.edu.au

We look forward to welcoming Dorothy back at the start of Term 2.

A final reminder to those families who have children with a **Medical Management Plan** that if there are changes to any aspect of the plan you need to **contact the School Office**. **It is vital that the information we have here at school is current and accurate and that the plan is not out of date.**

Have a great weekend and God bless.

Project Compassion

Caritas Australia's yearly Lenten campaign unites countless Australians in the global fight against poverty, championing justice, and upholding dignity. On Ash Wednesday, Project Compassion Boxes will be handed out to every class, each assigned a specific fundraising target for the Lenten season.

The class that achieves the highest fundraising amount will enjoy a well-deserved free dress day as a reward! Stay informed about each class's progress in fundraising efforts through regular updates provided by the Social Justice Leadership Team during school assemblies.

Altar Servers

Altar service practice will resume on Thursday, February 13th, and will take place every Thursday evening at 5:30 pm in St. Gerard's Church. To be eligible for service, individuals must have completed their First Communion. This provides a wonderful opportunity for young members of the Church to participate in the liturgy and take on the responsibilities associated with altar service. For any inquiries regarding altar service practice or eligibility, please feel free to contact the parish office at 97924422.

Wellbeing

What's resilience?

Resilience refers to the ability to manage everyday stressors and challenges.

Resilience enables people to shift back along the mental health continuum towards good mental health. A child or young person's ability to be resilient can depend upon many things and can change depending upon their situation. Importantly, specific situations or events that one child or young person may find challenging, another may not. Learn more about how you can help [build resilience in children](#).

A child or young person who is resilient might:

- be optimistic
- use positive self-talk for encouragement
- have a positive sense of self
- identify and express their feelings and thoughts
- not hide away from strong feelings
- have helpful, age-appropriate strategies to manage their emotions when upset
- rearrange their plans to work around an unexpected situation
- have a sense of agency or responsibility
- keep on trying if something doesn't work out and use their judgment about when to stop
- hold a sense of purpose or hope for the future
- actively ask for help if they need it

feel a sense of attachment to family, their learning community and to learning.

St Gerard's is once again offering an exclusive AUSKICK (AFL) program for all students after school on Thursday afternoons from 3.30pm – 4.30pm on our school grounds.

An online registration form is below and will need to be completed prior to the first session.

A reminder to families that arrive before 3.25pm to park in the carpark.

Joining the drop off/ pick up line, particularly near the pedestrian crossing, creates a backlog of cars and prevents families from parking in the car park, which causes issues. Another aspect of this is to be mindful of our procedures at the end of the school day. There are designated pick up areas for our students and pedestrian pathways. It can be busy at the end of the day, especially when it is cold and raining, however we need families walking home or to their cars to use the pedestrian pathways. I thank you in advance for your cooperation.

Important Notes

Medical Plans And Asthma Plans

This is a friendly reminder to provide the school with updated medical and asthma plans for 2024. If your child has asthma or requires other medications, please ensure that Ventolin, a spacer, and any necessary medications are supplied on the first day back to the school office.

All medications will be stored in individually labeled bags in the school office for safekeeping.

Pick-up From After-School

Parents are asked to please be prompt when picking up your child/ren after-school. If a ride is not here when school concludes, the student may be sent to aftercare instead of the office. Please remember school aftercare does have a cost involved and time will begin accruing at the end of the school day. If a student's ride has run into an unexpected delay, please call the main office to let them know.
