Give Me Five Principle - Be Positive in the Learning Areas

Dear Jesus,

I pray for the strength to overcome any obstacles in my path and the confidence to face each day with a **positive** mindset.

Thank you for always working for the good of those who love you. You are my strength and my shield; my heart trusts in you to stay positive during all parts of the day.

Help me to always see You in my friends and those around me.

In the name of Jesus Christ,

Amen.

PRINCIPAL'S MESSAGE

Dear Families,

As we farewell February we find ourselves at the end of Week 5 of a 10 week term!

Our 2025 **Sacramental Program commenced** with our **Year 3 Reconciliation Family Workshop** on Tuesday evening. It was wonderful to see children and families exploring this important **Sacrament of Healing** together. Please keep these children and their families in your prayers over the coming weeks as they continue their preparation.

We also had the first of our **Open Days on Tuesday**. These days are an opportunity for prospective families to see all that we offer here at St Gerard's. We have **2 other Open Days planned for Wednesday 5 March and Thursday 13 March**. If you know families who will be looking for a school in 2026, we would appreciate you letting them know of these dates. Similarly, **if you have a child who will be starting school in 2026 please let us know so that we can ensure a place for them as existing families are our first category of our enrolments**.

The second of our 5 **AUSKICK sessions** occurred yesterday afternoon with close to 50 children participating. This is a great uptake from our children and families and we are already starting to see the development of some AFL and social skills, particularly around participating in a team sport.

Today (Friday) we had our **Annual Whole School Athletics Day** at Mentone Athletics Track. This was a wonderful day with our students displaying their sporting skills as well as school spirit. It was great to see our children cheer on and support each other. Congratulations to those children that will now represent our school later in the year at inter-school events. **A huge thank you to our staff and to the parents who helped the day run smoothly.**

Lastly, an aspect of our end of day dismissal is to be mindful that there are **designated pick up areas for our students and pedestrian pathways**. It is busy at the end of the day and we **need families walking home or to their cars to use the pedestrian pathways. To walk in front of the cars in the 'pick up' area can be very dangerous**. Our aim is to get all our children and families home safely. I thank you in advance for your cooperation.

Have a great weekend and God bless.

Project Compassion

Caritas Australia's yearly Lenten campaign unites countless Australians in the global fight against poverty, championing justice, and upholding dignity. On Ash Wednesday, Project Compassion Boxes will be handed out to every class, each assigned a specific fundraising target for the Lenten season.

The class that achieves the highest fundraising amount will enjoy a well-deserved free dress day as a reward! Stay informed about each class's progress in fundraising efforts through regular updates provided by the Social Justice Leadership Team during school assemblies.

Altar Servers

Altar service practice will resume on Thursday, February 13th, and will take place every Thursday evening at 5:30 pm in St. Gerard's Church. To be eligible for service, individuals must have completed their First Communion. This provides a wonderful opportunity for young members of the Church to participate in the liturgy and take on the responsibilities associated with altar service. For any inquiries regarding altar service practice or eligibility, please feel free to contact the parish office at 97924422.

Reading Before School has started full steam ahead.

Students are encouraged to attend and read a book by themselves, to each other or with their families.

Reading Before school

Cross Age Reading

On Monday, the Foundation and 1/2FB classes went to the library to read to each other. Afterwards, Mrs Bruno and the Foundation students invited 1/2FB to listen to a special story in their classroom.

Wellbeing

How do decision-making skills develop?

Children and young people's decision-making is strongly influenced by the expectations and values they learn from those around them.

This occurs when they:

- observe others (particularly those close to them)
- hear about and discuss values
- have opportunities to make choices and experience their consequences.

Young children regularly choose how they'll behave, which toys or games they'd like to play with, which books they would like to read, or which television shows they want to watch. As they get older, children make bigger decisions that often involve their family, friends and schoolwork. The kinds of choices children and young people make affect their wellbeing, relationships and success.

Young children have some skills for making decisions, but they don't yet have the experience to understand complex adult situations. As their brain grows, a child is more able to hold things in their mind and remember what they've learned. They also improve the way they manage their thinking and feelings, control impulsive behaviour, think about time and plan ahead, and evaluate long-term versus short-term goals. All these skills help children become better at taking action and keeping things on track.

St Gerard's AUSKICK 2025

St Gerard's is once again offering an exclusive AUSKICK (AFL) program for all students after school on Thursday afternoons from 3.30pm – 4.30pm on our school grounds.

This has proved to be a very popular program in the past and I am sure it will be again.

This will be a 5-week program starting on Thursday 20 February and continuing each Thursday until Thursday 20 March.

An online registration form is below and will need to be completed prior to the first session.

School staff will supervise the children from 3.30pm and children that attend OSHC will be escorted back to the room after the sessions.

If you have any questions, please contact myself via Seesaw or email

principal@sgdandenongnth.catholic.edu.au

This is a wonderful opportunity to develop some AFL and social skills and will hopefully lead to our children becoming part of the local AUSKICK Program.

A reminder to families that arrive before 3.25pm to park in the carpark.

Joining the drop off/ pick up line, particularly near the pedestrian crossing, creates a backlog of cars and prevents families from parking in the car park, which causes issues. Another aspect of this is to be mindful of our procedures at the end of the school day. There are designated pick up areas for our students and pedestrian pathways. It can be busy at the end of the day, especially when it is cold and raining, however we need families walking home or to their cars to use the pedestrian pathways. I thank you in advance for your cooperation.

Important Notes

Medical Plans And Asthma Plans

This is a friendly reminder to provide the school with updated medical and asthma plans for 2024. If your child has asthma or requires other medications, please ensure that Ventolin, a spacer, and any necessary medications are supplied on the first day back to the school office.

All medications will be stored in individually labeled bags in the school office for safekeeping.

Pick-up From After-School

Parents are asked to please be prompt when picking up your child/ren after-school. If a ride is not here when school concludes, the student may be sent to aftercare instead of the office. Please remember school aftercare does have a cost involved and time will begin accruing at the end of the school day. If a student's ride has run into an unexpected delay, please call the main office to let them know.
