Momentum is starting to build as our Liturgy and Social Justice Leaders fill our food cart for the St Vincent De Paul Winter Appeal.

This Sunday's gospel is one of the most beautiful, yet challenging, in our liturgical calendar. Jesus commands us to love one another just as he has loved us. Powerful stuff! Try to spend some time this week reflecting on this passage, what it means for you, and what it might mean for the children.

MESSAGE FROM THE PRINCIPAL

Dear families,

I trust that this newsletter finds you all safe and well. This week has presented some unique opportunities for our students and next week will involve the celebration of a key aspect of our faith.

On Monday we had students from **Year 5 and 6** represent our school at the **St John's Regional College Paul Wade Soccer Day**. I would like to congratulate these children for the way they represented our school both on and off the pitch. This is the second year of this event and is a wonderful way for our children to compete against and make connections with children from other schools in the area. **Thank you Mrs Wilson and Mrs Stack** for their work in ensuring our students had a great day. I would also like to acknowledge St John's staff and students for their efforts in organising such a great day.

Our **Year 3 and 5 students** have participated in the annual **NAPLAN** assessments throughout this week. These tasks are now online apart from the Year 3 Writing task. I would like to commend the **children on the way they have applied themselves and thank all the staff for the support they have given our students** in the lead up and during the tasks.

Our **St Vincent de Paul Winter Appeal** is gaining in momentum. Thank you to all those families that have already contributed. Our **Year 6 Social Justice Leaders** are collecting donations daily. Children can bring donations in on any day or they can be left at the School Office.

On Wednesday we had a shade sail installed to **create a new outdoor learning space**. This space is opposite the 2 sliding doors to our main building. We will now look to furnish the area so that our children have the opportunity to learn in a different setting. Funding for this shade sail was through the **Victorian Government School Shade Sail Program**.

Next week our **Year 6 students** will be in the final stages of their preparations to receive the **Sacrament of Confirmation**. This will see them participate in a **Reflection Day, meet with Bishop Anthony Island** and then celebrate this final Sacrament of Initiation on **Friday evening at 5.30pm**. Please keep these children and their families in your thoughts and prayers.

Finally, we have continued to have a few **COVID cases** at school this week which is a timely reminder that we all need to continue to keep our community safe. **Please remember that if your child tests positive, please contact myself via email: principal@sgdandenongnth.catholic.edu.au , Seesaw or phone the Office 9791 7553 as soon as possible** so that we can fulfill our reporting and informing obligations and importantly support you. If at any stage you have any questions or concerns please contact me.

Continue to stay safe and God bless.

What is play?

Play can be pretending, learning a new skill, dressing up, being active or being quiet.

Play can involve other children or be alone. Adults can join in if they're invited – in fact, young children often love to play with close adults. Children decide what to play and how to play. Play is their time to be free and enjoy. It's their language, their work and their relaxation.

It's for all children, of all ages from birth on, and of all abilities.

Unstructured, free play is the best type for young children

This is play that just happens, depending on what takes the child's interest at the time. It isn't planned and lets children use their imagination and move at their own pace. Examples of unstructured play might be:

- creative play alone or with others, including artistic or musical games
- imaginary games (for example, making cubby houses with boxes or blankets, dressing up, playing make-believe)
- exploring new or favourite play spaces like cupboards, backyards, parks, playgrounds and so on.

You can be part of a child's unstructured play – or not

Sometimes all you'll need to do is point them in the right direction – say, towards the jumble of dress-ups and toys on the floor, or to the table with crayons and paper.

Sometimes you might need to be a bit more active – for example, “How about we play dress-ups? What do you want to be today?”

Structured play is different.

It's more organised and happens at a fixed time or in a set space, and is often led by a grown-up. Examples of structured play include:

- swimming lessons – you might see these as important lessons for your child, but they might just think they're fun
- storytelling groups for toddlers and preschoolers at the local library
- dance, music or drama classes for children of all ages
- family board or card games
- organised team sports for older children, like basketball, netball and football.

Matrix Lesson

This week in our SEL lesson we revised the “Being Cooperative in the learning areas” expectations from our Give Me 5 matrix.

The Prep to 6’s discussed the importance of being Cooperative in the learning areas by following directions, moving safely, staying on task, sharing with others and helping each other.

The students worked collaboratively to determine if a scenario demonstrated students being cooperative or not. The student’s role played different scenarios of how they could be cooperative in the learning areas.

GARDENING

This week 1/2FW enjoyed their Garden lesson. The students learned about the life cycle of a plant. They harvested seeds from our fennel plants and sowed the seeds in soil. The students are excited about watching the seeds grow in the classroom. Next week 1/2L will participate in their Garden lesson.
